

JOB ADVERT

Executive Director of Customers
Stockton-on-Tees
Competitive salary
Excellent terms and conditions

North Star is a highly innovative and award winning housing association operating across the North East and North Yorkshire providing housing for a range of people, including those with support needs. Our culture of shared leadership ensures that people have a strong voice, real influence and are trusted. We invest in new and existing housing, people and communities to enable us to fulfil our vision of “Creating homes, building futures”. We have consistently high levels of performance and are known for ‘punching above our weight’.

As Executive Director you will be able to shape and grow your function to ensure it is sector best as well as influencing the direction of North Star. Our success comes from our approach and investment in people and our excellent reputation on delivery, quality and great partnership working.

If you are energetic, creative, high performing and looking to develop into a role that offers flexibility, influence and ambition then come and have a conversation with us.
