## Board Members

### Stockton-on-Tees

£3,481 pa | 2 days per month

Our vision to 2023 is to be a Housing Association of first choice. We are pioneers, working together to transform the lives of people and communities and, in so doing, have a positive influence on society

This vision, our organisational strategy and our values focus on delivering great services, building high quality homes and developing strong relationships.

What sets us apart from others is that we connect, we hear, and most importantly, we act. We embrace challenge and change, continually striving to improve. We work with tenants and communities to enhance lives.

### What are we seeking?

We are seeking two Board members who have a strong social purpose and will be committed to the North Star approach. The successful candidates will work to the highest standards of governance, will be strategic, questioning, curious, collaborative and challenging; always open to learning and development. We are seeking individuals who will bring housing and customer experience.

**Housing:** We are seeking someone from the sector, who has recent or current senior level experience of social housing and housing management.

**Customers:** We are looking for someone who has senior level experience of strategic management and delivery of customer services from either the private or public sector.

One of the appointees may be invited to join Group Audit Committee.

For an informal discussion please contact Bill Barkworth on 07706 369273 or 020 3434 0990. You can download the information pack and submit your application documents using the online form, accessible via our jobs web page: [www.campbelltickell.com/jobs](http://www.campbelltickell.com/jobs),
