1 Policy Statement

Different Together - At North Star, Equality, Diversity, and Inclusion are part of our DNA. Together, we continue to build a culture that encourages, supports, and celebrates difference. It fuels our innovation and connects us even closer to customers and communities.

2 Definitions

While the terms Equality, Diversity, and Inclusion (EDI) often go hand in hand, they are not one and the same. We are adopting the definitions used by the Housing Diversity Network.

Equality is the fair and unbiased treatment of others, taking into account, systemic and structural inequalities. This ensures equal opportunity and access for all groups which are protected by legislation.

Diversity refers to the presence of people who, as a group, have a wide range of characteristics, seen and unseen, which they were born with or have acquired. These differences can go beyond the protected groups set out in legislation.

Inclusion goes further and is where people's differences are valued and used to enable everyone to thrive at work. An inclusive working environment is one in which everyone feels that they belong without having to conform, that their contribution matters and that they can perform to their full potential, no matter their background, identity, or circumstances. An inclusive workplace has fair policies and practices in place and enables a diverse range of people to work together effectively.

These terms are interdependent and go hand in hand in promoting a culture that is actively equal, diverse, and inclusive.

3 Legal and Regulatory Duties

North Star is committed to meeting its obligations and duties under the Equality Act 2010 and to promoting equal opportunities both in the provision of services and in our employment practices. The Equality Act 2010 protects people with 'protected characteristics' from unlawful discrimination, harassment and victimisation (as defined in the Equality Act 2010). The protected characteristics are:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion/belief
- Sex
- Sexual orientation

North Star is committed to meeting its obligations and duties under the Public Sector Equality Duty (section 149 of the Equality Act 2010) and The Human Rights Act 1988 so far as they apply to our organisation as a Registered Provider of Social Housing.

Under Section 149 of the Equality Act 2010 we will:

- Eliminate discrimination, harassment, victimisation, and any other conduct that is prohibited by or under the Equality Act 2010.
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Under the Human Rights Act 1998 we will:

- Treat everyone equally, with fairness, dignity, and respect

In addition, North Star complies with the regulatory requirements of The Regulator of Social Housing, it is a regulatory requirement that all Boards adopt an acceptable code of Governance. The Board of North Star has adopted the National Housing Federations model code 2020. The code requires Boards to take an active lead in committing to equality of opportunity, diversity, and inclusion in all the Organisation's activities as well as in its own composition. North Stars Board complies with the model code, and, on an annual basis carries out a self-assessment against the code.

4 The Board

North Star aims to have a Board and committee(s) that broadly reflects the diversity of the communities we serve and includes people with diverse backgrounds and attributes. Our Board Recruitment and Succession Planning policies also reflect our commitment to achieving a diverse and inclusive Board. The Board is responsible for:
